

Charles Wimez

STUDENT IN DATA & AI

Seeking a 20-week internship

Starting April 6, 2026

Data Science, Data Scientist, Data Analyst, Data Engineer

Education

General Engineering Student (2024 – 2027)

IMT NORD EUROPE, DOUAI, FRANCE

Engineering program under student status

Specialization: Data Science & Responsible Artificial Intelligence

Modeling, Multidisciplinary, Critical Thinking

Preparatory Classes for Engineering Schools (MPSI – MP)

LYCÉE ALBERT CHÂTELET, DOUAI, FRANCE

Mathematics, Physics, Engineering Sciences, English, German, and French-Philosophy courses.

Rigor, Autonomy, Stress Management

High School Diploma (2019 – 2022)

LYCÉE LÉONARD DE VINCI, CALAIS, FRANCE

Honors “Très Bien” with Jury Congratulations (18/20)

Specialties: Mathematics/Physics/Engineering Sciences

Efficiency, Versatility, Work ethic

Professional Experiences

Application Security Intern (May 2025 – August 2025)

SEPD PORT BOULOGNE-CALAIS, CALAIS, FRANCE

Assisted the Application Manager in fixing vulnerabilities identified during security audits (SQL injection, path traversal, HTTP headers, cookies, technical leaks)

CO-PRESIDENT OF KOH-LANT'IMT

Managed a team of 22 students

Organized a 4-day event gathering all the students of the school

Initiative, Listening, Teamwork

Profile

I am a second-year engineering student. Passionate about sports and board games, I have been playing handball for over 10 years. Curious and motivated, I am currently looking for a data science internship.

Skills

Technical Skills

- Python
- Java
- SQL
- Excel
- Power Query
- Power BI
- HTML
- PHP

Methods

- Principal Component Analysis (PCA)
- Project Management (MOOC)

Soft skills

- Teamwork
- Adaptability
- Communication

Langues

- French: Native speaker
- English: B2 level
 - TOEIC : 900
- German: B1 level
 - 1-week French-German exchange in Duisburg – January 2019
- Spanish: A2 level
